Ethics Board to maintain Research Integrity

Constitution of Institutional Ethics Board Members :-

1. Chairperson (External) – Prof. (Dr.) Ramesh Pandey
2. Industrialist – Mr Lalit Kedai
3. Social Activist (External) – Mr. Pawan bajaj
4. Legal Advisor(External) – Advocate Manish
5. Legal Advisor (External) – Advocate Rahul
6. Member Secretary (University) – Dr. Suman Srivastava

The functions of Ethics Board are as under:

- A. **Groups and Institutions:** Disadvantage and vulnerable groups have a particular need for protection specific attention may be required in research across cultures or on cultural heritage. Public offices and private organisations have a joint responsibility to ensure that their participation in research is in accordance with recognised norms of research ethics.
- B. **The Research Community:** researchers have a shared responsibility towards each other within the research community. They should behave truthfully, treat each other with respect, and recognise each other's contributions in projects and publications. Researchers have a collective responsibility for promoting the values and norms of research ethics in their teaching, supervisions, dissemination, and publication.
- C. **Research Participants:** Researchers have responsibilities towards all persons involved in or affected by research. Researchers should respect the participants' human dignity and consider their personal integrity, safety, and well – being. Participation in research should, as a rule, be based on information and consent.
